To whom it may concern,

It is with great pleasure that I am writing to recommend the services of Unitus Painting.

Unitus Painting was excellent and worked with us for about 7 weeks to paint the entire exterior of our hotel, and we are completely satisfied with their performance. They did an amazing job, were always punctual and professional and got the job done in a timely manner. They worked with our team to come up with a plan ensure that there was minimal disruption to our guests and to make sure that we were happy with each step of the process.

Our renovation with Unitus Painting consisted of them painting the entire exterior of our five story hotel while the hotel was still at full capacity. They were very professional and worked around our schedule to ensure that all of our guests and staff were accommodated. They did an excellent job painting, stuck to our schedule, made sure to make the most of their time each day, and cleaned up after themselves. We were kept in the loop through each step of the process which we really appreciated. We constantly receive great feedback about the work that Unitus Painting has done, and we are more than happy with our experience with them.

I am happy to recommend the services of Unitus Painting. If you have any questions, please feel free to contact me.

Sincerely,
